The Chairman in a handsome and appropriate manner, explained the objects of the meeting, enumerating briefly the many advantages both to the young men, and to the community, of the proposed organization. On motion, the Chairman appointed a committee of three, consisting of Col J. A. Wilcox, N. B. Burnett Esqt, and W. F. Dowd, to draft a suitable constitution and bye laws, for the Government of the company, who reported instanter, and their report was adopted by acclamation.

A committee of four, consisting of Capt, Geo. E. Stuart, Wm. H. Topp Esqr. P. Jamison, and Col. J. A. Wilcox, were appointed to devise a suitable uniform, who reported the following, a Blue Roundabout and pants, to be trimmed with gold-lace, cap with falling plume.

After some discussion, the company was styled the "Southern Guards."

The Company then proceeded to the election of Officers, when Col. J. A. Wilcox was elected Captain, & Capt. Geo. E. Steuuart 1st Lieutenant, by acclamation.

The following gentlemen were then elected by ballot to their respective offices-W. H. Topp 2d Lieutenant-W. P. Baughn 3rd Lieutenant, and George Sykes, O. S. On motion it was unam imously resolved,

published in the city papers. The Company then adjourned to meet on

Saturday evening next. R. H. DALTON, Chair'm W. F. Down, See'y

CALIFORNIA SPECULATIONS.—The steam planing mills on the North River are very active at present, cutting out timber for houses to be sent to San Francisco all ready

for building.
While these mills are busy making houses for the living, Mr. John Mace, the well known sexton of Carmine street, is engaged sending forward extensive accommodations for the dead in the slape of a large invoice of splendid coffins. Both speculations will probably go to a profitable market. N. Y. Express.

- Aberdeen Lodge, No. 32.

Whereas, the painful intelligence of the death of Col. Jornan Amorr, a member of our Fraternity, has reached this Lodge, and whereas custom has from time immemorial made it our duty when requested by the deceased, to bury with Masonic honors.

Wherefore Resolved, That Aberdeen Lodge, No. 32, in obedience to this time honored customs consistent to gest the remains of our b.

tom, consigned to rest the remains of our balloved brother.

Resolved, That we deeply deplore the death

of our aged and much beloved and venerated brother.

Resolved. That we can with pleasure point to

his eventful life as a wonderful illustration of the cardinal virtues of Masonry, Brotherly Love, Relief, Trath, Temperance, Prudence, Justice and Fortinde.

Resolved, That as a citizen, he was true to his government and his country; as a neighbor, kind and benevolent; as a parent, generating

bor, kind and benevolent; as a parent, gener-ons; as a Mason, the Plum. Square and Level, were the jewels he most delighted in. Resolved. That we hereby tender our hearti-est sympathies to his bereaved family, and for consolution point them to the Grand Lodge above, where the Supreme Arbiter of the Uni-

verse presides.

Resolved, That as a further token of our love. respect and esteem, we wear the usual badge of mourning for thirty days, and that these resolutions be published in the City papers, and that a copy thereof be forwarded the family of the deceased.

immediately after the letting, and a reasonable time given for completion.

The seventy miles now advertised extends through the pine woods of Alabama, and over some sand and sand stone ridges—sthe whole length being as healthy at all seasons as any part of the United States. The work is worthy the attention of Northern and Western contractors, as those from the south.

It is expected that 200 or 250 miles of the route will be put under contract before the completion of the work now advertised for. Testimonials of character and ability to perform the work had for, will be prepared of those not personally known to the President or Chief Engineer. Chief Engineer. JOHN CHILDE, Chief Engineer.
